# New Zealand Organisation for Quality

## Diploma in Quality Assurance Learning outcomes (year 2)

The Diploma QA year two (pre-requisite – DipQA year one or CQA graduate) consists of 4 Core Papers incorporating 2 projects plus Internal auditing training (QA602a).

Diploma QA year two was developed due to feedback from many CQA graduates whose interest and practical application in the quality field had continued to grow since their completion of the **Certificate in Quality Assurance**.

**Paper Title: DipQA602b QUALITY & RISK MANAGEMENT AUDIT PROJECT**

**Learning Outcomes:**

- Evaluate risk factors that impact on your organisation. Review, prepare, recommend and justify a quality and risk management audit process to manage risk in your organisation (management sign-off evidence required).
- Apply all aspects of a quality and risk management audit, including management of the interpersonal aspects of the audit.
- Analyse and report on all aspects of your quality and risk management audit.
- Analyse and critique quality and risk management audit findings and develop and manage a suitable action plan and agreed processes for the identified corrective actions.
- Recommend and justify strategies for management of risk outcomes against conclusion of quality and risk management audit and completed / planned corrective actions.
- Portfolio presentation reflects skills and scholarship.

**Please note: a pass is required in all the above learning outcomes to complete this paper successfully.**

**Paper Title: DipQA603 QUALITY & RISK MANAGEMENT IMPROVEMENT PROJECT**

**Learning Outcomes:**

- Analyse and implement quality improvement project tools and techniques which demonstrate:
  - the selection, use and evaluation of appropriate quality and risk management tools
  - development of guiding terms of reference
  - use of feasibility study and analysis of results to guide decision making
  - use of appropriate measures at commencement and completion of project.
- Provide evidence and evaluate use of quality management tools in action, how they are used to ensure validity of the results and how they contribute overall to quality and risk improvement outcomes.
- Demonstrate use of risk management techniques and/or tools to manage and improve quality improvement outcomes.
- Provide evidence and evaluate use of statistical charts in action, how they are used to ensure validity of the results, and how they contribute overall to quality and risk improvement outcomes.
- Analyse, interpret and evaluate results and effectiveness of the quality management tools used.
- Portfolio presentation reflects skills of quality documentation and scholarship.

**Please note: a pass is required in all the above learning outcomes to complete this paper successfully.**

**Paper Title: DipQA604 QUALITY & RISK MANAGEMENT LEARNING JOURNAL AND COMPETENCY INTERVIEW**

**Learning Outcomes:**

- Establish summative learning goals across all DipQA learning outcomes, undertakes self-assessment and evaluation of learning outcomes, and identifies new challenges as a result of learning and outcomes achieved.
- Use quality knowledge and skills to develop focused curriculum vitae reflecting current quality and risk management-related qualifications, competencies and experience.
- Portfolio presentation reflects skills of quality documentation and scholarship.

**Please note: a pass is required in all the above learning outcomes to complete this paper successfully.**

**Paper Title: DipQA602a QUALITY & RISK INTERNAL AUDIT TRAINING**

This paper requires the completion of Internal Auditing training (ideally before beginning the QA602b Project).

This training can be completed through:

- Practical learning via NZOQ two-day internal audit training **or:**
- Practical learning via NZOQ on-line internal audit training **or:**
- Practical learning via NZOQ QSA lead auditor training **or:**
- Recognition of prior audit learning (strict criteria apply)

Where students have previously completed NZOQ Internal Audit training or other recognised Internal Audit training, a cross-credit may be available.

**This paper is compulsory for all students entering the Diploma in Quality Assurance.**
